Job Title: Material Handler/Forklift Driver (Full Time, Permanent, Existing Vacancy)

Wage Range: \$20.00 - \$23.00

Position Overview

Klassen Custom Fab Inc. is seeking a motivated Material Handler to join our manufacturing team. This position is primarily responsible for receiving, unloading, identifying, storing, and distributing sheet metal, raw materials, and production supplies required to support manufacturing operations.

Job Duties:

- Receive and unload incoming sheet metal, raw materials, and production supplies
- Verify received materials against packing slips, purchase orders, and job requirements
- Inspect incoming materials for visible damage and report discrepancies as required
- Identify, label, and store materials in designated locations
- Move sheet metal, raw materials, and work-in-process materials using forklifts, overhead cranes, jib cranes, pallet lifts, and other approved material handling equipment
- Maintain inventory levels in designated production areas
- Accurately verify material types, quantities, and identification requirements
- Assist with inventory counts and stock verification activities
- Maintain material traceability and organization throughout the facility
- Maintain a clean, organized, and safe work environment in accordance with company policies and safety procedures

Education – Training – Experience:

- High school diploma required or equivalent work experience
- Minimum 6 months experience in a manufacturing environment preferred
- Knowledge of sheet metal materials and fabrication processes considered an asset
- Experience operating forklifts, overhead cranes, jib cranes, and pallet lifts considered an asset
- Ability to work in a dynamic, fast-paced manufacturing environment
- Ability to prioritize workload requests and support multiple production departments
- Training provided where applicable

Other Information:

- Applicant must be able to communicate in English, Spanish or Low-German.
- Benefits include: RRSP Match & Extended Health Benefits (Including Vision, Dental & Paramedical)
- Overtime pay after 40 hours.
