Job Title: Welder (Full Time, Permanent, Existing Vacancy)

Wage Range: \$23.00 - \$25.00

Position Overview

Klassen Custom Fab Inc. is seeking a motivated Welder to join our manufacturing team. This position involves fabricating and welding custom metal products according to drawings, specifications, and customer requirements while maintaining company quality and safety standards.

Job Duties:

- Read and interpret blueprints, welding process specifications, and assembly drawings
- Operate manual or semi-automatic welding equipment (MIG & TIG)
- Fabricate and weld components according to drawings and specifications
- Operate hoisting and lifting equipment safely
- Operate saws, drills, ironworkers, grinders, and other fabrication equipment
- Ensure accuracy and completion of assigned tasks and projects
- Perform visual inspections of completed work to verify quality requirements
- Maintain a clean and safe work environment
- Work effectively with production personnel to meet production schedules
- Other duties as assigned

Education – Training – Experience:

- Some high school required or minimum 1 year experience welding using MIG welding equipment
- CWB Certification is considered an asset
- Ability to successfully complete a weld test
- TIG welding experience considered an asset
- Ability to read and interpret blueprints and fabrication drawings
- Strong attention to detail and quality workmanship
- Training offered where applicable

Other Information:

- Applicant must be able to communicate in English, Spanish or Low-German.
- Benefits include: RRSP Match & Extended Health Benefits (Including Vision, Dental & Paramedical)
- Overtime pay after 40 hours.
